## From the Principal

Hello everyone,

### Mother's Day Breakfast

I was thrilled to welcome an incredible number of Mothers, Grandmothers and Mother figures to our School Association Mother's Day Breakfast last Thursday. This was an outstanding community event – so much bigger and full of excitement and energy than we expected. HUGE thanks to the School Association volunteers who planned, prepared and delivered an amazing celebration. Thanks so much to everyone for participating in this wonderful recognition of the importance of all of the Mothers in our lives.

### Attendance

I continue to speak to our students about the importance of attending school every day. When they are unwell, they should not be at school, but they need to be at school every other day. Of course, students who are representing the school in various sporting and arts events are encouraged to do so, as this is a part of their wholistic learning. In the school year there are only 200 school days – out of 365 days in a year. I urge all parents and carers to prioritise sending children to school every day that students can be here. Being at school every day is critically important, and being at school on time is critically important. We start lessons at 9am. Anyone who arrives later than this is missing really important setting up information for the day as well as planned explicit learning opportunities.

### Congratulations

Congratulations to Mrs Deb Lade who is now our permanent School Business Manager. Deb has made a really strong, and very positive start to her role at Hagley over the last couple of terms.

She has developed new processes for families to seek financial support, created multiple ways to pay levies and other financial commitments, and refined our business service to you. I am thrilled to welcome Deb to our permanent staff, and if you haven't already, I hope that you have an opportunity to meet and chat with Deb soon.

### Welcome Back

It was great to welcome Mrs Mason, Mrs Ankin and Mr Ankin back to school yesterday after an extended break since Easter. There were many happy faces at school yesterday to welcome them back. We are very grateful to Mrs Staggoll and Mrs Barden for their support of the Kinder and Prep/One classes during this time.
