## From the Principal

Hello everyone,

### Unwell – Stay Home

As always, I ask that our families do not send students to school when they are showing any symptoms of being unwell. We currently have large numbers of students being sent home from school with cold and flu symptoms. Added to this, we hear of many cases of ongoing health issues, including becoming COVID positive as well as developing Respiratory Syncytial Virus. Please consider the health and wellbeing of our school community as we have difficulty replacing teachers and teacher assistants when they become unwell.

### Community Support

On Sunday a group of our families and community members volunteered to spend several hours working together to weed and rejuvenate our School Garden. They did an amazing job, returning the space to being ready for classes to be really engaged in.

Thanks so much to Jane Heazlewood and Shelley Bennic, for their partnership with Ms Bunker from the Agricultural Learning Centre. They have communicated together and created a plan where our Grade 3/4 students will be able to engage in a regular Garden Program alongside the Eggheads Program. Their volunteer work on Sunday has prepared the Garden for our students to engage in and for Ms Bunker to prepare for lessons easily. We are very thankful to everyone who volunteered their time to support our Garden Program to progress. How wonderful to see our students involved in the garden work with their parents. The garden now looks absolutely amazing – and we are thrilled with the outcome. There are photos of the working bee further in the newsletter.

### Parent Teacher Meetings

Over the next few weeks our teachers welcome meetings with all families to discuss learning progress over the past two terms. The online booking system is open – Kindergarten meetings are available in week 7 and 8. Prep to Grade 6 meetings are available in week 9 and 10. We encourage all families to participate in these meetings for discussions about learning progress, learning goals and any concerns that you might have. Please make a time online to meet with your child's teacher. Communication between home and school is an essential part of our work together. These discussions are always valuable and valued.

### MID-YEAR REPORTS

Mid-year reports will be distributed on Thursday the 20<sup>th</sup> June.

The 9-point visual scale A-E ratings for students in Years 1 to 6 (and for Prep students at the end of the year). As there is no written report for Prep students at mid-year, we urge you to attend the parent/teacher/student conference in weeks 9 and 10 of this term. A written report will be issued for Prep students in term four.

The 9-point scale will show more specifically where your child's learning achievement is against the expected standard for their year level.

There will be **NO TEACHER COMMENTS** on the report. This term parent/student/teacher conferences will be offered in Week 9-10. These are a great opportunity to discuss how your child is progressing with their learning. We cannot stress enough to you the importance of attending these conferences, they are an invaluable way to learn more about your child's progress, learning and behaviour at school.

Please see on the next page for how to book your parent/student/teacher conference.

## PARENT/TEACHER DISCUSSIONS

Parent/Teacher discussions for the Prep - Grade 6 classes will be in weeks 9 and 10 of this term, commencing Wednesday 26<sup>th</sup> of June and finishing Tuesday the 2<sup>nd</sup> of July. The Tuesday appointment session will be our late session finishing @ 7pm. The other days will be after school hours.

Interviews will be for all students, and they are strictly 10 minutes. Your child's teacher will discuss with you your child's learning and wellbeing over the first half of the year.

Bookings (see below) will be open Tuesday the 4<sup>th</sup> of June and will close on Tuesday the 25<sup>th</sup> of June.

## SCHOOL ASSOCIATION NEWS

The School Association would like to thank the hard work of Hagley School Families and Lions Club of Westbury volunteers who pruned, weeded, planted, demolished, trimmed and tidied the Hagley School Vegetable Garden on Sunday. The weather was perfect for gardening, and we all had a great time working together. We appreciated the different skills brought to the day and everyone's can do attitude.

We are after donations of pea straw to mulch the garden beds. Please contact the school office or Jane 0439 877 573 if you can help out.

We'll be having more sessions in the garden throughout the year and would encourage anyone to join in.

## NORTHERN FUTSAL CHAMPIONSHIPS

Last week our grade 3-4 boys and 5-6 boys' futsal teams competed in the Northern Futsal Championships in Launceston. Both teams thoroughly enjoyed the day with all the students displaying our school values and 3 B's. Congratulations to the 3-4 team who were runners-up in the 3-4 boys division. The 5-6 boy team fought hard all day with illness impacting on the team.

A big thanks to Matthew Layton and Chris Cheek for coaching and supporting the teams.

## NEWS FROM THE LIBRARY

### Readers' Cup 2024

Last term grade 5/6 students were given the opportunity to sign up for Readers' Cup. This is a team reading competition where 5 set books need to be read by the team across 5 weeks. This week our 6 teams will be competing for the chance to represent Hagley at the Inter-school event.

Tomorrow, Wednesday 5<sup>th</sup>, the teams will complete a quiz about the 5 books, then they will present a short, student-directed creative response to one of the books. The winning team will be the team that scores the highest combined score for the quiz and the creative presentation.

Families of our participants are invited to attend tomorrow's creative presentations at 2pm in the gym. Please contact Mrs Marston if you would like to see a recording of your child's team presentation but are unable to attend.

Good luck to our Readers' Cup teams!

### Mrs Marston and the Green Sheep

Many of our students, along with the parents and family members who attended last year's reading afternoon, will know that *Where is the Green Sheep?* by Mem Fox and Judy Horacek is one of Mrs Marston's all-time favourite read-aloud books.

During May, bookshops all over Australia have been celebrating the Green Sheep's 20<sup>th</sup> birthday! Petrarch's Bookshop held a competition to win a gigantic Green Sheep toy, and Mrs Marston was VERY excited to be announced as the winner!

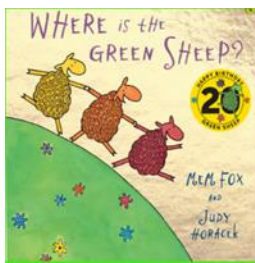

This week the Green Sheep has visited Hagley for the Kinder and Prep library lessons, and he will definitely be found in the library to meet more students in the coming weeks.

Look for the photo page of the Green Sheep with the Kinder students later in the newsletter.

## MOULD GROWTH IN 5/6 MARSHALL!

**Don't worry...there are no health and safety concerns...it's just Science!**

**This term, we have focused on investigating the effect of physical conditions on the growth of living things including mould colonies.**

**We focused on variables as we planned and conducted investigations. We have also explored the work of other scientists including Dr Howard Florey and Anton van Leeuwenhoek.**

**P. S. Apologies if you have been trying to catch up on reading the newsletter over dinner. We hope the photos haven't ruined your appetite!**

Meander Valley Council, Westbury Health and the Local Drug Action Team are working together to develop a preventative community wellbeing program in Meander Valley for young people. The first stage in this program is to gather information from local young people about their concerns, ideas and initiatives. All participants go in the draw to win a \$100 gift voucher. The more data we gather the more informative the program will be.

**CALLING ALL YOUNG PEOPLE IN MEANDER VALLEY WE NEED YOUR FEEDBACK**

Westbury Health, Local Drug Action Team (LDAT) and Meander Valley Council are gathering information about young people in Meander Valley to inform future planning. We would like your ideas and perspectives about your experience of being a young person in Meander Valley.

Complete the survey and go in the draw to win a \$100 gift card
