From the Principal

Hello everyone,

This week's thoughts from me will be short, and very heartfelt.

Last week our school community was incredibly saddened by the passing of Lisa Gibson after several bouts of Cancer over the past eighteen months.

Lisa grew up in our local community. She attended Hagley Farm School with her brothers, Adam and Leigh. Lisa was a wonderful contributor to the school as a student, and she excelled at sports – most significantly being a fair team player and sportsperson. Lisa took this with her throughout her life – contributing significantly to sports communities throughout Tasmania.

About seven years ago Lisa returned to our school community as a parent when Mackenzie was in Prep, and Kai just a really little person. At this time, I was just so thrilled to reconnect with Lisa and her young family – Lisa had been a student in my grade 3 class in 1992 at Hagley. This is a special moment for any teacher – to reconnect and be able to appreciate the wonderful adult that their young student has become, and to see them reflected in their own children.

Lisa's parents Geoff and Robyn have been a major part of our school community for a very long time. Throughout many years they have both worked for our school and volunteered enormous hours of support.

On behalf of the Hagley Farm School, and the Agricultural Learning Centre, I express our heartfelt condolences to Mackenzie and Kai, to Robyn and Geoff, to Adam and Leigh and to their extended family.

STUDENT PARLIAMENT FUNDRAISER

In our meeting on Monday the student parliament decided to have a PJ Day on the 2nd of July to raise awareness for the Launceston Dog Home, as they just lost their major investor and 100,000 dollars for dog food. Please bring a gold coin donation. Please ensure your child comes to school wearing proper footwear and dressed appropriately for the weather.

NEWS FROM THE LIBRARY

Readers' Cup – Congratulations to our Readers' Cup team who competed in the Northern School Final on Thursday evening. They came away with 3rd placing! Well done to West Launceston Primary School who were this year's winners.

Thank you to Miss Viney, Mrs Beams and Mr Ankin for their support in allowing us to host this big event at Hagley, and a huge thank you to **Mrs Bron Walker** and **Mrs Leesa Richardson** who gave an enormous amount of time to help on the night. Thanks also to school community members **Elizabeth Richards, Sally Gibb, Jo Stevens and Tom Richards** who provided delicious food for our judges and visiting staff from other schools.

Mrs Marston (Teacher-Librarian/Northern Primary School Readers' Cup Co-ordinator).

Reading Challenges – You may have seen in the news or on social media that the Premier's Reading Challenge (PRC) officially started yesterday. This year we will be running our own version – The Hagley Reading Challenge, which will begin in Term 3.

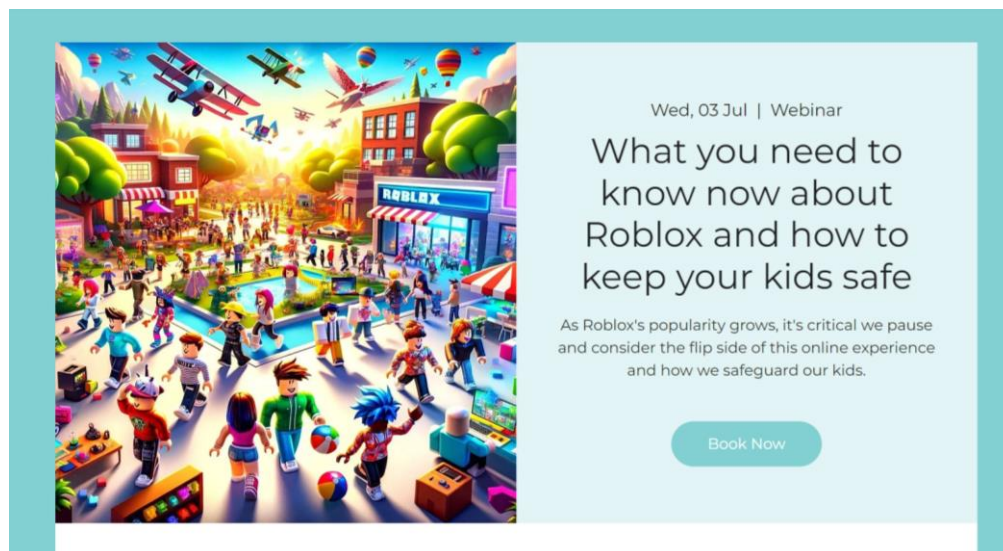

would love to support their reading and fundraising in the library. You can send an email to jessica.marston@decyp.tas.gov.au to share the details with us.

About this Webinar - Navigating the Hidden Dangers of Roblox

Did you know that nearly 1/3 of the students we speak with have shared that they've been asked to be someone's boyfriend or girlfriend on Roblox?

As Roblox's popularity continues to soar, it's crucial that we pause and consider the flip side of this online experience. Safe on Social is stepping up to unveil the truths behind the virtual playground that is Roblox—a platform that, while offering boundless fun and innovation, also presents very real dangers lurking beneath its surface.

Join us for a vital 30-minute webinar, led by Safe on Social's CEO, Kirra Pendergast. This session is crafted specifically for parents and guardians, arming you with the critical insights and strategies needed to navigate the complexities of Roblox and ensure a secure online environment for your children.

OUTSTANDING LEVIES

Just a reminder that any outstanding levies are now overdue and payment as soon as possible would be appreciated.

Levies contribute towards the overall cost of running all teaching programs at the school. Funding for teaching programs needs to be flexible, inclusive, in line with curriculum requirements and Department of Education recommendations.

If having difficulties, Families can take advantage of a range of payment options for levies. Please ensure that your payment options/plans are discussed with the school's Business Manager – Mrs Deb Lade - 63 922272.

PRIMARY SCHOOL NETBALL CHAMPIONSHIPS

On Friday, 10 of our 5/6 students: Lyla, Isabelle H, Clementine, Isabelle D, Mackenzie, Harper, Eleanor, Adele, Murphy and Isabella participated in the inaugural Primary School Netball Championships organised by Netball Tasmania. Our team “Hagley Bulls” travelled to the Silverdome for the day, where they played a variety of schools from across the North of the state. They played 6 games; losing one, drawing another and coming away victorious in the other 4.

The team are to be commended on their behaviour and sportsmanship they displayed on the day. They played with great team spirit, supporting one another, and listening respectfully to their coach.

A massive thank you to Janine Harris, who volunteered her time to coach and manage the team on the day.

TASMANIAN ALL SCHOOLS CROSS COUNTRY

On Tuesday the 18th of June, 27 Hagley Farm School students participated in the All Schools Cross Country Carnival at Symmons Plains. It was a cold start to the morning, but it was a fantastic day for our students to test against runners from all around the state. The growth from all students throughout the term while preparing for various carnivals was evident and all students participated with courage as they took on the larger number of students and longer course. Special congratulations go to Dylan Post (3rd), Huon Lockett (6th) and Lachie French (8th) who all finished in the top 10 for their groups. Congratulations to all who took part in a fantastic day of running.

1/2 Garwood/Page

In 1/2 Garwood/Page we have been learning about the olden days. We have investigated what Hagley would have looked like in the olden days, how people on the farm would have worked and the tools/machinery they would have used.

We have been lucky enough to visit some fantastic historical buildings and sites around Hagley that have provided us with some excellent information on how people would have lived in the olden days.
