## From the Principal

### Hello everyone,

On a very wintry day here at Hagley, it is nice to be reminded that it is only five more days until spring. While this is definitely something to look forward to, we have had a marked increase in sickness within the school in the last little while. Please keep your child/ren home if they are unwell to prevent the spread amongst students and staff.

This Thursday, our School Association are hosting a Father's Day breakfast for all our dads and father figures to enjoy. This event runs from 8am to 9am. Parking will be tight, please follow the instructions of our staff on the day in terms of where to park. Thank you to our School Association for their work in preparing this event. It is such a wonderful initiative, that sees so many of our fathers connect with the greater school community.

We have a busy few weeks ahead at Hagley. This Thursday our Grade 6 students who are heading to Prospect next year will be travelling to Prospect for a STEM orientation activity. On Friday our students in grades four to six, will be participating in the DECYP student wellbeing and engagement survey. Parent/guardians of participating students would have received an email regarding this earlier in the term. The survey is done anonymously, and all results are reported as numerical data, no student is identified in the process. The survey gives our school crucial information regarding how our students feel at school, whether they feel safe, connected to adults and engaged in their learning. We use this information to either continue, discontinue, grow, or start new programs to try to enhance the wellbeing of all our students.

On Tuesday next week we will be holding a school fundraiser, 'Wear a touch of pink' day to support the Cancer Council Tasmania. We have a team of 23 staff participating in the upcoming Launceston Women's 5km walk/run, our team's name is "The Hagley Hikers". All money that we raise will go directly to Cancer Council Tasmania's support and research programs. As a school we decided to

participate in this event to honour parent Lisa Gibson, who passed away this year and the many other people in our lives who have been affected by this insidious disease. Students are invited to wear pink and bring a donation to contribute to this worthy cause.

This weekend sees many of our students participating in significant sporting events. Good luck to our students who are in the Under 12 boys' football grand final, South Launceston Vs Prospect Hawks at 11.10 at UTAS stadium. Good luck to Dylan Post who is running in the Australian Cross Country Championships at Symmons Plains on Saturday. If I have missed your event, please let us know or share a photo with us and we can share this in next week's newsletter.

Finally, we would like to wish all our dads, grandads and father figures a wonderful Father's Day on Sunday.

## SWIMMING & WATER SAFETY PROGRAM- YEAR 3-5 STUDENTS

Water safety and swimming play an important part in our lives living in Tasmania and the DECYP has a requirement that all students learn to be safe and competent in water environments as a component of the school curriculum. The DECYP Swimming & Water Safety Program (SWSP) consists of 10 lessons over the course of 2 weeks for each year group in Years 3, 4 & 5. The dates for our school program are from **Monday the 16th of September to Friday the 27th of September.**

Your child will need to bring the following items every day of their program:

- Bathers & swimming cap (house coloured swimming caps can be purchased from the school office for \$3.00)
- A towel and plastic bag to put wet clothes in
- Suitable footwear that allow students to get from the pool to the changerooms when wet
- Any medication (e.g. asthma medication) that may be needed poolside

### Please note:

**Goggles:** Students *may* use goggles in the pool however they are not encouraged. An aim of the program is that students become competent in their skills without the use of goggles. Some parts of the program, in particular the survival in deep water, will be assessed without goggles.

**Swimming Caps:** For health and safety reasons, it is DECYP policy that all students are required to wear swimming caps.

**Jewellery:** For safety reasons, ear studs and dangly earrings are not to be worn in the pool. Sleepers are allowed. Please try to avoid wearing these types of earrings during the dates of the SWSP if possible.

Below is a timetable of class times. Please ensure your child has their swimming gear for each of these days to enable participation in this important program.
