From the Principal

Hello everyone,

I am so excited for our Welcome Back to School Barbecue this evening. This event is co-hosted with our school staff and our School Association. We welcome families into our classrooms to meet with teachers informally, and to join us outside for a sausage, a tractor ride and a play in the grounds. This is also supported with a coffee and an ice cream van – which we know will be appreciated. Early childhood classes are open from 5.30 – 6.15, and Primary classes from 6.00 - 6.45. Between times, please join us at the oval for a sausage, a get together, a hot drink and some ice cream for dessert.

This event is always such a tremendous get together and is hugely supported by our community. We all really look forward to welcoming you. Please remember that all students must be supervised at all times, including older students who do not attend our school. This is for the safety of everyone in our school grounds during the event. Your support of this requirement will be very appreciated.

Last Friday we were eager to witness the Grade 6 House Captain speeches from 14 students, who showed courage to speak to all of the grade 3 – 6 students. Leadership is something that many of our students aspire to, and we encourage them to show everyday. But it takes commitment to sit and write about themselves and how they intend to support our school students and culture as a leader. It takes courage to stand in front of everyone and speak about themselves and how they intend to show themselves as a leader, to support all of our school, every day, not just on Carnival days.

I was very proud of everyone who stood up and gave their speech. They spoke well, they were planned, and they could articulate what qualities they will provide to support our school.

Tasmanian
Government

Thanks to Miss Styles and Mrs McLean for their guidance in supporting the growth for our students to become young leaders, both for now, and into the future. Our Student Parliament offers such great opportunities for student voice and for developing leadership potential in our young people. Voting for House Captains for our grade 3 -6 students and staff has now closed, and the outcome will be shared at the end of this week. Good luck to them all. House Captains for 2025 will be announced at an Assembly on Friday afternoon at 2.15.

On Friday morning we are privileged to welcome Her Excellency, the Governor of Tasmania, the Honourable Barbara Baker, to our school to launch the 2025 Pollie Pedal in support of Diabetes Australia. The Governor will be joined by the Deputy Premier, the Honourable Guy Barnett, as well as members of the Diabetes Australia community. We will host a whole school assembly to cheer on the Pollie Pedal riders as they begin their cycle ride around Tasmania to raise funds for diabetes.

VOLUNTEERING AT SCHOOL

To ensure the safety and wellbeing of our students, it is mandatory for all volunteers to have their RWVP (Registration for Working with Vulnerable People) and to have completed the Our Obligations – Safeguarding Training 15-minute video before engaging with children and young people in a volunteer capacity at our school. Certificates for the training video are valid for 12 months from the date of completion. These steps are essential in helping us maintain a safe and supportive environment for our children.

To apply for a Registration for Working with Vulnerable people, please visit [Apply for registration to work with vulnerable people | Service Tasmania](#) To complete the Our Obligations – Safeguarding Training 15-minute video please visit: [Compulsory Safeguarding Training for Workers - Department for Education, Children and Young People](#) Volunteers are a vital part of our school community, and we are excited to collaborate with you in the year ahead!

VALIDATION FORMS

We have had the majority of these forms returned to the office, thank you to those families who have completed them. We have about 25 families who have not yet returned their forms, these parents were emailed last week. We ask that you do this as soon as possible, without these forms being completed your children may miss out on some school activities. Please contact the office if you need a second copy. Congratulations to Rebecca who won our prize draw for those who had returned their forms.

CHANGES TO STUDENT TRANSPORT

The end of the school day can get quite hectic, making sure that all our students go in the correct direction whether that be on a bus, waiting to be collected by parents or going to After School Care. Any changes to your child's usual arrangements must be communicated clearly to the school. This can be via a written note to the teacher or a phone call to the office as early in the day as possible. These messages cannot be relayed verbally by students, as they may get the information confused. Please do not rely on an email to your child's teacher during the day as these are often not checked during class times.
